

AMERICAN STEAMER SINKS SUBMARINE IN RUNNING FIGHT

AN ATLANTIC PORT, Feb. 14.—A German submarine was sunk by an American steamer in a running battle in the Mediterranean on January 18, the skipper reported on the ship's arrival here.

On the outward voyage the same craft was attacked in the Mediterranean by two submarines. One was sighted off the bow of the steamer, and when the captain attempted to ram the undersea boat it submerged and made off. At the same time the gun crew fought off another submarine from the stern.

MUSIC RECITAL AT CENTRAL HIGH TONIGHT

The program will comprise three numbers by the orchestra of fifty members, under the direction of C. E. Christman. There will be violin numbers by Henry Christman and Harry King. Miss Effie Drexelius will play the Hungarian Rhapsody No. 2, by Liszt, and Miss Kathryn Bouck the Concerto in Flat Minor, by Tchaikovsky, with orchestral accompaniment.

The Young Women's Christian Association Choral Club, under the direction of Mrs. A. M. Blair, will entertain at the Women's Club, Seventeenth and K streets, on the evening of February 22. Miss Inez Dabour, soprano, will be heard in a song recital, with explanatory talks concerning her program.

CONN. AVE. CITIZENS FAVOR TEACHERS' RAISE

The Connecticut Avenue Citizens' Association today is on record as favoring the bill now in Congress for an increase of pay to school teachers of the District, having adopted a resolution to that effect at last night's meeting.

Opposition was voiced to present rates of the Georgetown Gas Company.

Washington's street car service was branded "deplorable" by members of the Northwest Suburban Citizens' Association when they met last night.

The Bryn Mawr Parent-Teachers' Association has pledged itself to do all in its power to further a bill now before Congress asking an appropriation of \$200,000 for an addition to the Buchanan School.

RAIL PAY RAISE COSTLY.

Figuring an average of 33 1/3 per cent increase in wages of railroad employees on the flat increases asked, the additional cost would be \$82,000,000 annually, according to Secretary of Interior Lane, chairman of the railroad wage commission.

His Remedy and Book Sent Free.

Captain Collins sailed the seas for many years; then he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for years. He tried doctor after doctor and tried after tried, but no results. Finally, he was assured that he must either submit to a dangerous and abortive operation or die. He did neither. He cured himself instead.
